CALENDAR KIDS

Sponsored by: Fair Bluff Watermelon Growers Association, Inc.

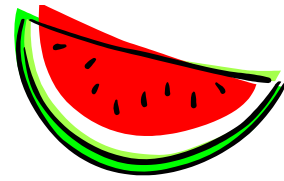

The Calendar Kids have become very popular. Not only is it a calendar that helps you remember your mementoes and appointments, but a calendar with a beautiful child smiling at you every month. The calendar is a great keepsake to cherish forever and also makes a great gift to give family or friends. It is full of memories that you will never forget.

Guidelines for the Calendar:

1. There are only 12 months in a calendar year, so it will be the first twelve to ask for a month or application that will be on a month. Five additional children will be accepted but will appear in the back of the calendar.
2. To be on a month you must sell 100 raffle tickets that are \$2.00 each. The information from the attached application will appear with your child's photo on the calendar month.
3. The ones wishing to be in the calendar but miss the months must sell 50 tickets. You may also compete for the winner of the calendar front.
4. The months chosen by application – the first to call or ask – and the next-etc.
5. The calendars are \$12.00 each for black and white and \$24.00 for color. They must be paid for when ordered. They will not be ordered without your money.
6. A child will appear on the front of the calendar. How does this happen? It is the child that sells the most tickets – calendar sales are included – in other words, the overall sales. This child will have the title of the North Carolina Watermelon Festival Calendar Kid and will be able to ride in parades and go to events.

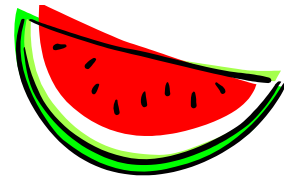

It will be your responsibility to find out and take care of all events the child attends.
7. The child that sells the most calendars will become the Watermelon Seed Kid who will also be able to ride in parades, which will be the parent's responsibility. They will receive a banner with the title.
